Your Partner in Procurement

What is SUPC? We help universities, colleges and other organisations buy smarter. Members use our frameworks and support services to make sure their procurement activities deliver value for money to students, staff and wider communities. Our mission is to deliver a comprehensive set of high-quality procurement services that add tangible value to the members and the education sector as a whole.

Access Our Frameworks

Frameworks are agreements between two or more organisations, that provide a compliant route to market. At SUPC, we provide over [130 frameworks](#). Each framework is professionally tendered and legally compliant, meaning that the hard work is done for you and the procurement process is more cost-effective. To find out more about frameworks and how they work, please watch our [Induction Webinar](#).

What are the benefits of using our frameworks?

Easily implemented framework solutions based on your biggest spend areas.

Cash and process (time) savings.

Continuous improvement within long-term supplier relationships.

Compliant routes to market.

How can we help?

We are always happy to speak with buyers to understand more about your needs to ensure we can offer the best solution for you.
